**3<sup>rd</sup> ANNUAL MEETING**  
**AFRICA FREE ZONES ORGANIZATION**

#### AFZO | 3rd annual meeting :

#### Economic Zones and Free Zones' contribution to sustainable economic development in Africa

The Africa Free Zones Organization is organizing its 3rd annual conference in Abidjan. The Seminar sessions will cover relevant topics related to Economic Zones & Free Zones in Africa. This will be good opportunity for participants to explore major challenges and roles of Economic & Free Zones in terms of FDI attractiveness, corporate investment strategy, fund raising policies and regional integration. A dedicated training sessions "Meet the Expert" will also tackle key fundamentals themes for Free zones and Economic zones deployment. It will be illustrated with expertise sharing, best practices and practical business cases.

#### Nigeria | Industrial Council to Improve Free Trade Zones Operation

The Nigeria Industrial Council and Competitiveness Advisory Council says it is set to review fiscal arrangements and incentives applicable to the country's free trade zones (FTZs). Special Economic Zones project is developing six special economic zones across the geopolitical zones.

## Ethiopia | Isuzu Motors to open in Ethiopia

The Japanese company Isuzu Motors, will open a vehicle assembly plant in Ethiopia, in association with local partners.

## Morocco | Citic Dicastal to create an industrial project in Morocco

Morocco and the Chinese group Citic Dicastal signed an investment agreement for the creation of an industrial project regarding the production of aluminum wheels. The project requires an investment of 350 million euros.
